J.G. Crawford Building, #132
Lennox Crossing
The Australian National University
Canberra ACT 0200
Australia

Interests:

natural resources, climate change, business-government relations

Current position:

Australian National University
Associate Professor, Crawford School of Public Policy

Previous:

George Washington University
Assistant Professor, Elliott School of International Affairs and Department of Political Science

Harvard University
Research Fellow, Consortium for Energy Policy Research, Mossavar-Rahmani Center for Business and Government, John F. Kennedy School of Government

Advisory relationships:

GR-Japan (2012-)
Research Director (Public and Government Relations Advisors, <http://grjapan.com/>)

Service

Executive Committee, ANU Energy Change Institute (2016-)

Editorial Board, Studies in Comparative Energy and Environmental Politics, Oxford University Press (2017-)

Masters of Public Policy (MPP) Program Redesign Convener (2016)

Convener, Energy & Security Cluster, ANU Energy Change Institute (2015-)

Science and Technology and Energy Policy Dissertation Prize Committee, American Political Science Association (2013-2014)

Steering Committee, Japan-U.S. Workshop on Sustainable Energy Futures, Science and Technology for Sustainability Program, The National Academies (2012-2013)

Steering Committee, International Trade and Investment (ITIP) Program, Elliott School of International Affairs, George Washington University (2009-2014)

Publications:

Book:

- 2014 Llewelyn Hughes, *Globalizing Oil: Firms and Oil Market Governance in France, Japan, and the United States* (Cambridge, UK: Cambridge University Press - Business and Public Policy Series, 2014), 265pp (paperback: November 2016).
- Reviews: Christina Faegri *Global Governance* Vol. 20, No. 4 (2014), p. 629-630; John R. Heilbrunn, *Perspectives on Politics* Vol.13, No. 1 (2015), pp. 230-231; John Mitchell, *International Affairs* Vol. 91, No. 1, (2015), pp. 183-184; Paul Stevens, *The Energy Journal* Vol. 36, No. 3 (2015) p. 212-213; Anastasia Ufimtseva, *ACUNS*, <http://acuns.org/review-of-globalizing-oil-firms-and-oil-market-governance-in-france-japan-and-the-united-states/>.

Working papers and in progress:

Revise and Resubmit: Aaron Ray, Llewelyn Hughes, Charles Kaylor, David Konisky, "Extreme Weather Events and Public Opinion Towards Climate Adaptation," *Global Environmental Change*.

Working Paper: "The Story of Rare Earths: Even a Perfect Storm of Dependence is Hard to Exploit." (with Eugene Gholz, University of Texas - Austin). APSA 2015.

Working Paper: "Climate Change and Conflict Through the Lens of History." (with Evgeny Finkel, George Washington University). ISA-NE 2013.

Working Paper: "Lead Markets, Vertical Specialization, and Standards Competition in Electric Vehicles." Stanford 2015.

Working Paper: "Industry Segmentation and the Market for Protection: Evidence from Congressional Policymaking in the Oil Sector" (with Pablo Pinto, University of Houston). MPSA 2013. IPES 2013.

In Progress: Guest editorship for special issue of Business & Politics: "The State, Global Markets, and Green Industries" (with Jonas Meckling, Berkeley).

In Progress: "A Cross-National Comparison of Electric Vehicle and Fuel Cell Vehicle Industry Policies" (with Annika Styczynski, Institute for Advanced Sustainability Studies - Potsdam)

In Progress: "The Political Economy of Intended Nationally Determined Contributions" (with Frank Jotzo, ANU)

Grants & honors:

2015	Research School of Asia and the Pacific (RSAP) Grant Development Support Program (AUD\$13,750)
2013-15	Social Science Research Council – Abe Grant (US\$79,000)
2012-13	Inaugural Japan Studies Fellow, East-West Center (US\$33,000)
2011	GWU Elliott School of International Affairs Dean's Faculty Research Grant (US\$5,000)
2010-11	GWU Center for International Business Education and Research Grant (US\$12,000)
2010	Sigur Center for Asian Studies Faculty Research Grant (US\$5,000)
2009	Lucian Pye Award for Best Dissertation produced in the Department of Political Science, Massachusetts Institute of Technology
2009-10	U.S.-Japan Network for the Future Fellow, Maureen and Mike Mansfield Foundation and Japan Foundation Center for Global Partnership
2009	Research Fellowship, Consortium for Energy Policy Research, Mossavar-Rahmani Center for Business and Government, John F. Kennedy School of Government, Harvard University (US\$48,000)
2008	World Politics and Statecraft Fellowship, Smith Richardson Foundation (US\$7,500)
2008-9	Advanced Research Fellow, Program on US-Japan Relations, Harvard University (declined)
2007	Total International Fellow, Massachusetts Institute of Technology
2007	Laboratory for Energy and the Environment Research Grant, Massachusetts Institute of Technology (US\$5,000)
2006-7	MIT-Japan International Studies Grant, Center for International Studies, Massachusetts Institute of Technology (US\$5,000)
2004	Energy, Technology, and International Affairs Grant, Center for International Studies, Massachusetts Institute of Technology (US\$5,000)

Total Funding

Approx. US\$200,000

Education:

Massachusetts Institute of Technology

Ph.D. in Political Science

Winner, Lucian Pye Prize for Best Dissertation produced in the Department of Political Science

University of Tokyo, Japan
Master of Laws (Political Science).
Master's Thesis: "Kokunaishinbun to Kaigaishinbun no Hikakuron" (80,000 characters)

University of Melbourne, Australia
Bachelor of Arts

Research affiliations:

- 2016 Institute for Advanced Sustainability Studies (IASS), Potsdam, Germany
Research Fellow (June)
- 2014 Forschungszentrum für Umweltpolitik (Environmental Policy Research Centre), Freie Universität,
Research Fellow, Berlin, Germany (June-August)
- 2013 Department of Technology Management for Innovation, School of Engineering, University of
Tokyo, Tokyo, Japan
Research Fellow (June-August)
- 2012 Tokyo Foundation, Tokyo, Japan
Research Fellow (June-July)
- 2008 Center for Geopolitics of Energy and Raw Materials (CGEMP), Université Paris Dauphine, Paris
France
Visiting Research Fellow (July-August)
- 2007 Japan Business Federation (Nihon Keidanren), Tokyo, Japan
Visiting Research Fellow (June-July)
- 2006 Japan Institute for Energy Economics (IEEJ), Tokyo, Japan
Research Associate (May-July)
- 2003-5 Industrial Performance Center, Massachusetts Institute of Technology
Research Associate. Member of research team investigating globalization and the modularization
of the firm. Results published in Suzanne Berger, *How We Compete: What Companies around
the World are Doing to Make it in Today's Global Economy* (New York: Doubleday, 2005)

Service and professional associations:

Student Supervision

- Ken Vincent, Doctoral Committee, Department of Political Science, George Washington University (2014-)
- Gail Ma, Doctoral Committee, College of Asia and the Pacific, Australian National University (2014-2017)
- Inwook Kim, Doctoral Committee, Department of Political Science, George Washington University (2013-2015). Assistant Professor (tenure track). Singapore Management University.
- Hyunjin Song, Doctoral Committee, Department of Political Science, George Washington University (2011-2014)
- Diane Alleva Cáceres, Faculty Advisor, Doctoral Candidate (Georgia Institute of Technology), GWU School of Business (2011)
- Minoura Haruna, Examining Faculty, Masters in Asian Studies, Elliott School of International Affairs (2009-2010) – Ministry of Foreign Affairs, Japan
- Jung Joo Oh, Faculty Advisor, Undergraduate Scholars Program, Elliott School of International Affairs (2010).

Manuscript Reviewer

American Journal of Political Science, Asian Journal of Political Science, Cambridge University Press, Comparative Politics, Energy Policy, Energy Research and Social Science, Global Governance, Governance, International Relations, International Security, International Studies Review, International Studies Quarterly, Journal of Contemporary Asia, Journal of Environmental Policy & Planning, Journal of European Public Policy, Journal of Peace Research, New Political Economy, Oxford University Press, Pacific Affairs, Political Research Quarterly, Political Science Quarterly, Review of International Political Economy, Security Studies, Swiss National Science Foundation, Sustainability

Memberships

Research Associate, Centre for Climate Economics and Policy, Crawford School of Public Policy, Australian National University (2015-)
Energy Change Institute, Australian National University (2015-)

Teaching:

Undergraduate	Politics of Energy & Environment (GWU: 2012) Politics and Foreign Policy of Japan (GWU: 2010, 2012, 2013, 2014)
Graduate	Research Methods (ANU: 2015, 2016) Energy Politics and Governance (ANU: 2015, 2016) International Political Economy (GWU: 2009, 2010, 2011, 2013, 2014) Political Economy of Japan (GWU: 2009, 2010, 2012)

Certificates and training:

Japanese Language Conference Interpreting Course Level 1 (simultaneous/consecutive), Interschool Interpreting and Translation School, Tokyo, Japan

Mandarin Language Intensive Course, Beijing Normal University, Beijing, PRC

Citizenship:

United Kingdom, Australia, New Zealand

Languages:

English	native	Japanese	functionally native
German	intermediate reading & speaking	Mandarin	basic reading & speaking

Selected conference and seminars:*Political economy of climate change:*

“The Status of Japan’s Energy System Transformation,” Institute for Advanced Sustainability Studies (Potsdam, Germany), 29 June, 2016.

“Couldn’t Stand the Weather: The Effect of Extreme Weather Events on Climate Change Concern,” Institute for Advanced Sustainability Studies (Potsdam, Germany), 21 June, 2016.

“Track Special Session: Fostering Innovation and Industrial Development in Globalized Innovation Systems,” EU-SPRI 2016 Annual Conference, University of Lund (Lund, Sweden), 9 June, 2016.

“Couldn’t Stand the Weather: The Effect of Extreme Weather Events on Climate Change Concern,” University of Sydney (Sydney, Australia), September 24, 2015

“Salient Green: Explaining EU and Japanese Responses to Rising Chinese Solar Imports,” Energy Change Institute, Australian National University (Canberra, Australia), August 20, 2015

“Lead Markets, Vertical Specialization, and Standards Competition in Electric Vehicles,” Walter H. Shorenstein Asia-Pacific Research Center, Stanford University (Palo Alto, CA) August 11, 2015

“Couldn’t Stand the Weather: The Effect of Extreme Weather Events on Climate Change Concern,” University of New South Wales (Sydney, Australia), July 25, 2015

“The Politics of Green Protectionism: EU, US, and Japanese Responses to Rising Chinese Solar Imports,” Institute for Energy Economics Japan (IEEJ), (Tokyo, Japan), November 5, 2014

“The Politics of Green Protectionism: Explaining EU and Japanese Responses to Rising Chinese Solar Imports,” Forschungszentrum für Umweltpolitik (Environmental Policy Research Centre), Freie Universität (Berlin, Germany), August 5, 2014

“The Politics of Green Protectionism: Explaining EU and Japanese Responses to Rising Chinese Solar Imports,” Elliott School of International Affairs (Washington, DC), May 7, 2014

“Climate Change, Institutions, and Conflict,” ISA ISSS-ISAC 2013 (Washington, DC), October 7, 2013

“Interests, Institutions, and the Political Economy of Climate Policy: A General Theory,” Georgetown Energy and Climate Policy Research Seminar (Washington, DC), April 24, 2013

“Japan’s Standards Strategy in Electric Vehicles,” East-West Center (Washington, DC), February 11, 2013

Japan & Korea Segment, “24 Hours of Reality” Event on Climate Change, Climate Reality Project (New York, NY), November 13, 2012.

The Business of Climate: The Emergence of Green Industrial Policy in Comparative Perspective,” Tokyo Foundation, (Tokyo, Japan), July 13, 2012

“The Business of Climate: The Emergence of Green Industrial Policy in Comparative Perspective,” Washington Southeast Regional Japan Seminar, (Washington, DC), April 28, 2012

“Challenges and Recommendations for U.S. and Japan Trade and Economic Policy,” at Conference on The Future of Economic and Trade Power: Challenges and Opportunities for the U.S.-Japan Alliance, Center for a New American Security (CNAS) and the Japan Institute of International Affairs (JIIA), (Tokyo, Japan) December 15, 2011

“Fukushima and the Prospects for Nuclear Power,” Freie Universität, (Berlin, Germany), November 7, 2011

“Climate Change: China & the Scope for US-Japan Cooperation,” New York Retreat Seminar “China and the Asia-Pacific Region” (New York, NY), March 4, 2011

Panel Chair and Discussant, “The Political Economy of Climate Change,” American Political Science Association Annual Meeting (Washington, DC), September 4, 2010

“The Politics of Climate Change in the US and Asia,” US-China Education Trust (Washington, DC), August 24, 2010 (with Sarah Laidlaw, CSIS, and Ruth Greenspan Bell, World Resources Institute)

“Climate Change and the Democratic Party of Japan,” for *Roundtable: The Impact of Japan’s 2009 Elections on Foreign Policy*, Association for Asian Studies Annual Meeting (Philadelphia, PA), March 27, 2010 (with Kazuhiko Togo, Rust Deming, Thomas Berger)

“Climate Change and the Democratic Party of Japan,” Georgetown University (Washington, DC), March 18, 2010

“The Politics of Climate Change in Asia Roundtable,” Center for Strategic and International Studies (Washington, DC), February 9, 2010

“What Could California Learn From Japan?,” National Public Radio (NPR) program on Japan’s energy efficiency policies, August 10, 2009 (broadcast October-December 2009 on “Marketplace” and elsewhere)

“Climate Converts: Bureaucratic Interests & Spending in Energy Research, Development and Deployment,” Shorenstein Asia-Pacific Research Center, Stanford University (Palo Alto, CA), June 19, 2009

“Regional Cooperation in Energy in the Asia-Pacific: Prospects and Positive Externalities?” Center for the Study of Asia, Boston University (Boston, MA), March 1, 2009

“US-Japanese Cooperation in Energy, Environment, and Climate Change,” Japan Center for International Exchange (JCIE) project on the “New Agenda for US-Japan Partnership” initiative (New York, NY, Tokyo, Japan), February 25, 2008 and January 9-12, 2009

Resource market governance:

“Non-Renewable Resource Scarcity Theory and Peak Oil,” Mineral and Energy Economics (M&EE) course for Australia Awards Africa, March 31, 2017.

“Comments: “What the Petroleum Industry can do About Climate Change,”” Energy Change Institute, Australian National University (Canberra, Australia), August 2, 2016.

“Regionalism and Global Energy Markets,” Freie Universität (Berlin, Germany), April 27, 2016.

“Rare Earth and Geopolitics: Security Implications of Rare Earth Elements,” Perth USAsia Centre, (Perth, Australia), October 29, 2014.

“Globalizing Oil: Explaining US Oil Market Governance,” Centre for Energy, Petroleum and Mineral Law & Policy, University of Dundee (Dundee, Scotland), June 17, 2014.

“Firm-Government Relations in National Oil Companies: A Principal-Agent Approach,” International Studies Association Annual Meeting (Toronto, Canada), March 29, 2014.

“Industry Segmentation and the Market for Protection: Evidence from Congressional Policy-making in the Oil Sector (with Pablo Pinto, Columbia University), International Political Economy Society Annual Meeting (Claremont, CA), October 30, 2013.

“Japan’s Radical Incrementalism in Energy,” Georgetown University, April 19, 2013.

“Industry Segmentation and the Market for Protection: Evidence from Congressional Policy-making in the Oil Sector (with Pablo Pinto, Columbia University), Midwest Political Science Association Annual Meeting (Chicago, IL), April 13, 2013.

“The Effect of Structural Changes in the International Oil Market on National Security” University of Chicago (PISP) (Chicago, IL), November 4, 2012.

“Japan’s Energy Mix – The End of Quiet Politics” The Brookings Institution (Washington DC), October 5, 2012 (Audio available from: <http://www.brookings.edu/events/2012/10/05-japan-energy>) .

“The Effect of Structural Changes in the International Oil Market on National Security” OCIS IV (Sydney, Australia), July 19, 2012.

“Increasing Returns, Firm Heterogeneity, and Economic Liberalization: Evidence from Oil Markets” Judith Reppy Institute for Peace and Conflict Studies, Cornell University (Ithaca, NY), February 2, 2012.

“The Role of the United States and Japan in Meeting Common Energy Challenges: Trans-Pacific Cooperation for Innovation, Conservation, and Energy,” Center for a New American Security (CNAS) and the Japan Institute of International Affairs (JIIA), (Tokyo, Japan), December 14, 2011.

Discussant: “India’s Energy Security Challenges: An Insider’s View” by Sudha Mahalingam, Member, India’s Petroleum and Natural Gas Regulatory Board, George Washington University (Washington DC), December 1, 2011.

“Drill Baby Drill! The Correlates of “Energy Independence” in the United States” International Political Economy Society Annual Conference (Madison, Wisconsin), November 12, 2011.

“Resource Nationalism in the Asia-Pacific: Why Does it Matter?” The 2011 Energy Security Report Briefing, Bureau of Intelligence and Research, U.S. State Department, (Washington D.C.), September 21, 2011.

“Prospects for Conflict and Cooperation on Energy & Environmental Security,” The Okinawa Question: Regional Security, The US-Japan Alliance, And Futenma, Elliott School of International Affairs (Washington D.C.), September 19, 2011.

“Domestic Political Change and Implications for U.S.-Japan Relations: Energy and Environment,” German Marshall Fund of the United States (Washington D.C.), September 16, 2011.

“Increasing Returns, Firm Heterogeneity, and Economic Liberalization: Evidence from Oil Markets” American Political Science Annual Conference (Seattle, WA), March 15, 2011.

“Asia’s Rising Energy and Resource Nationalism: Implications for the United States, China, and the Asia-Pacific Region” National Bureau of Asian Research (NBR) Energy Security Flagship Conference 2011 (Washington, D.C.), May 4, 2011

“Increasing Returns, Firm Heterogeneity, and Economic Liberalization: Evidence from Oil Markets” International Studies Association Conference (Montreal, Canada), March 15, 2011
